

PROJECT PROFILE:

Phase #1 - Game Room and Bath in Lake Forest Residence

Custom-Built Windows and Doors

www.adamsarch.com

Adams Architectural partnered with a local contractor in the Lake Forest/Lake Bluff area of Chicago, Illinois to transform an existing space into a game room and bathroom/changing area for the pool. Adams custom built the beautiful, historically accurate windows and doors that you see featured in the photos below.

This is just Phase 1 of 3. Phases 2 & 3 will be featured in the next couple weeks. Make sure to tune into the transformation.

After Picture

Project Details

- Bay Window with Two flanking Weight & Pulley Windows
- Oval Window with Tru-Divided Lites
- Two Custom Entry Doors with Custom Combination Storm Doors

Pulley and Chain

Metal Weather Strip with Chain

Bay Window Unit

We built the bay window unit below. The single-hung windows operate with weights and chains and the window sashes were built with true-divided lites.

Bay Window - After Installation (Interior)

Oval Window

- Fabricated from Mahogany
- Tru-Divided Lites (TDL) with Insulated Glass
- Frame depth over 14" deep !
