

## PROJECT PROFILE:

### Phase #2 - Patio Unit and Addition

Custom-Built Windows and Doors

[www.adamsarch.com](http://www.adamsarch.com)

As promised, here is the Phase #2 of the transformation of a house in Lake Forest/Lake Bluff area of Chicago, IL. Adams Architectural partnered with a local contractor in the area to work on this project.

#### Large Picture Window with Flanking French Doors

- Doors and Window fabricated from Mahogany
- Dimensions of Picture Window: 153-1/2" x 112" (12' 9-1/2" x 9' 4")
- Dimensions of entire unit: 256" x 112" (21' 4" x 9' 4")

#### Glass

- The glass contains very little Iron in it to make it very clear. Gives a High Definition effect.
- The glass is also all Tempered and had to be shipped in from New York due to the only Tempering oven to fit this large piece of glass.

*Taking the glass off the Crate*

*Installing the Glass into the sash*  
*Pictures Thanks to Jim Eimmerman, James LaDuke & Assoc.*

## **Addition to the House**

- Deck Area on Roof
- New Four Season Room

- New Gourmet Kitchen

*Before Picture*

*After Picture*

**Deck area overlooking Roof Garden and Lake**

- Two Operating single doors, one fixed door, double fixed door in the stairway landing.

- French Door leading into upstairs.

*View of the doors leading to the deck area*

*Interior View of Doors overlooking roof garden*

### **Four Season Room - Oval Windows**

We built two oval windows to match the oval in the Game Room. The oval windows are fabricated from Mahogany, Insulated Tru-Divided Lite Glass, Custom 2-part brickmould.

*Oval Windows in Formal Four Seasons Room*

### **Kitchen**

We fabricated a smaller version of the large picture window with flanking French Doors.

*After Picture*

### **Completed Project!!!!**

- 30 Weight & Pulley Window Units
  - 15 Door Units
  - 4 Oval Windows
  - 10 Large Picture Windows
